

Baba Farid University of Health Sciences, Faridkot

Public Information

It has been brought to the notice of Baba Farid University of Health Sciences, Faridkot that some unscrupulous elements are spreading rumours that many nursing colleges/institutions in the state of Punjab have been derecognised by the Indian Nursing Council.

However, in the public interest, it is clarified that in view of the following documents, as attached and as available from respected websites:

Documents/Website	Remarks
Indian Nursing Council- Nursing Institutes found suitable after inspection: https://www.indiannursingcouncil.org/nursing-institute-for-the-year-2021-22	Indian Nursing Council inspected Nursing Colleges for various courses and released list of Institutions found suitable by Indian Nursing Council
Indian Nursing Council- Nursing Institutes found suitable after inspection: https://www.indiannursingcouncil.org/nursing-institute-for-the-year-2022-23	Indian Nursing Council inspected Nursing Colleges for various courses and released list of Institutions found suitable by Indian Nursing Council.

The Institutes which are recognised and found suitable by the Indian Nursing Council are clearly displayed on Indian Nursing Council Website. Aspiring students are advised to check the official websites for genuine information and refrain from getting misled by mischief mongers. Also students can demand information regarding suitability certificate issued by the INC to the College.

In view of the above, it is reiterated that public, students and the parents be well aware that **the rumours that many Nursing Institutes in Punjab have been derecognised is far from truth and the above documents are self-evident.**
