AUDITOR'S REPORT

To,

The Finance Officer,

BABA FARID UNIVERSITY OF HEALTH SCIENCES

Faridkot (Punjab)

**Report on the Financial Statements:**

We have audited the attached Balance Sheet on format Superset as on 31<sup>st</sup> March 2019 and Profit and Loss Account on format Superset for the year/period ended 31<sup>st</sup> March 2019 of Baba Farid University of Health Sciences – Faridkot and their Constituents.

**Management Responsibility for the Financial Statements:**

Management is responsible for the preparation of these financial statements that gives true and fair view of the financial position and financial performance of the university and their constituents in accordance with the Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

**Auditors Responsibility:**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Branch's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

## SSPJ & Co. (Chartered Accountants)

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion subject to qualifications mentioned below:

### Qualifications:

#### 1. Observations in respect to statutory compliances.

The organisation is liable to comply with the various statutory requirements of different departments. The details of the same areas under:

##### a). Good and Service Tax (GST).

As per GST Act, There are various transactions for which university is liable to pay GST and various transactions on which input tax credit under GST can be claimed by the university. Also the organisation is liable to file monthly GST returns i.e. GSTR-1 and GSTR-3B.

During the audit while asking for the information on which GST has been paid and details about the ITC claimed under GST. No information was made available to our team. It seems that the university is not regular in filling their monthly GST returns. Also due to non-availability of proper information, we are unable to comment upon, whether the same has been actually submitted or not. And whether the tax has been actually paid or not.

Hence, our report is subject to this.

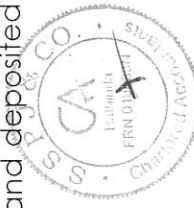

##### b) TDS under Good and Service Tax u/s 51 of CGST Act.

As per **section 51 of CGST Act**, "TDS is required to be deducted on payment made to supplier of taxable goods and services where the total value of such supply, under a contract, exceeds two lakh and fifty thousand rupees".

The university is liable to file monthly GST TDS returns i.e. GSTR-7 from October 2018 onwards. While asking for details, no information has been provided to our team.

Due to non-availability of the information, we are unable to comment upon the same whether monthly returns has been submitted by the university or not and whether the tax has been deducted and deposited or not.

Hence, our report is subject to this.

**c) Tax deduction at Sources (TDS)**

The university is liable to deposit TDS on monthly basis and liable to file quarterly TDS statements i.e. 24Q and 26Q. No information in this regards were made available to our audit team. Therefore, we cannot comment upon the compliance of various sections of TDS i.e. 192, 194C, 194I, 194H, 194J & 195. Hence, our report is subject to this.

**2. Bank account reconciliation pending.**

During the period under audit, 3 bank accounts of Baba Farid University of Health Sciences were not getting reconciled. The details of the same areas under:

Sr. No.	Bank Accounts No.	Balance as per Banks	Balance as per books
1	16012011000246	1,26,07,174.46	66,17,684.51
2	02062151011005	7,01,264.00	5,73,402.00
3	02062011004031	30,14,026.00	28,17,856.00

TDS,  
LPA

As, the reconciliation is not provided to our team, hence our report is subject to the reconciliation of these accounts.

**3. Fixed Asset Register:**

During the audit, we have seen that no fixed asset register has been maintained by the university. Therefore, it is recommended that the university should maintain proper fixed asset register. Every fixed asset should get unique serial number and that physical verification of all the fixed assets should be done on periodical intervals.

**4. Anti-Virus software's are not available in the computers:**

During the audit it was noticed that the computers of the university/constituents are not having anti-virus software. As there is huge volume of relevant data lying in all the computers of the organisation and all the data should be secured from any kind of virus. Hence the university/constituents should install anti-virus software's in each and every machine to provide uninterrupted services to their customers.

## SSPJ & Co. (Chartered Accountants)

5. As per form 26As of the university for the FY 2018-19, the total interest earned by the university was Rs.3,98,16,794 against which TDS of Rs.39,93,994 has been deducted by the various banks. During the audit, reconciliation of the interest was not made available to us. Therefore, due to non-availability of interest reconciliation, we are unable to comment upon, whether the actual interest has been considered in the books of accounts or not.

Apart from interest, Rs. 39,93,994 has been deducted as TDS on interest. As the university is not having registration u/s 12AA nor u/s 10(23)C of the Income tax act. Hence the university will not be able to get refund the same. Therefore, this is a direct revenue loss to the university. Hence, it is suggested that, the university should immediately apply for the exemption certificate u/s 12AA or u/s 10(23)C of the income tax Act.

6. During the audit of Guru Gobind Singh Hospital Faridkot and audit of Advance cancer hospital, it was observed that all the medicines purchased by the hospital treated as medicines consumed, despite the fact that huge stock of medicines remains at closing of the year. Therefore, as per our opinion, proper quantitative records should be maintain by the hospital and proper valuation of the stock should be done by the hospital so that closing stock can be identified at any point of time.

7. While conducting the audit, it was seen that rotation of the staff is not done on periodical basis. Therefore, as per our opinion, staff should be rotated on periodical basis especially cashiers for the safe functioning of the organisation.

8. During the audit, it was seen that, some amounts are lying in the balance sheets of various constituents as amount received against securities i.e. electricity security, telephone security etc. In this regards, it is to advised that university should take balance confirmation certificates from the concern departments. So that actual position of the securities can be identified.

9. During the audit, it was seen that, the university and their constituents have number of bank accounts opened with various banks, which are practically difficult to operate. Therefore, as per our opinion, all such accounts which are non-operative should be closed for the smooth functioning of the organisation.

**SSPJ & Co.** (Chartered Accountants)

**Opinion:**

1. In our opinion, subject to qualifications mentioned above and to the best of the information and according to the explanations given to us and as shown by the books of the organization, we report that:
  - (a) The Balance Sheet and Profit and Loss account dealt with by this report are in agreement with the books of account, and
  - (b) In our opinion, proper books of account as required by law have been kept by the organization so far, as it appears from our examination of those books.
